Such sale will not take place until the Company has given notice to the customer in accordance with the Act. For the purpose of the Act it is recorded that:

10.1. This Licence may be terminated on 16 weeks' written notice by the Owner to the Company. In this event the Company will be entitled to recalculate the charge for the Berth using the rate or rates that would have been applicable to the actual period of the Licence instead of the annual rate; the amount so calculated not to exceed the annual charge originally contracted for berthing. If this recalculation results in a balance payable to the Company then the Owner shall be required to pay that balance before removing the Vessel from the Marina or Premises. If there is a balance in favour of the Owner the Company shall pay it to the Owner upon the Vessel's departure of the Vessel from the Marina or Premises
