Commercial berths available upon application and agreement

ENERGY COSTS

At this time, we do not have confirmation of final contract terms for electricity supply for 2023. We therefore reserve the right to review berthing charges in 2023 to reflect the costs imposed by our energy supplier. We shall do our utmost to minimise any such charges. Clients who have a confirmed berth will be advised of marina shore-power kWh charges in due course. Prices here are guaranteed until 31 January 2023.
